I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I oppose any restrictions on ordering  
specialized medications from out of state pharmacies.  
Compounded medicines have specially formulated for  
me & prescribed by my doctor have helped  
relieve my anxiety, pms, & other symptoms. I believe  
there should be no limit of prescriptions shipped by  
specialty pharmacies.
